

Expense Tracker

1. Home Screen -
 - a. Expense list
 - b. Add Expense button
 - c. Filter (Date, Category, amount)
 - d. Sort (By lowest or highest)
2. Form -
 - a. Category Dropdown (ex 5)
 - b. Name of expense/item (can be multiple)
 - c. Amount (can be according to category or per item)
 - d. Whom to pay (this can be a list maybe for phase 2 but for phase 1 a simple field .. can be self)
 - e. Date (can be a calender, choose a date from 1st of the month)
 - f. Save button
3. Edit expense

On the home screen, we can show a pie chart showing different expenses in a month.
Also, the total expenses of the month.

List in home screen can look like this

date	
Category	
name	
INR 500	

Pie chart example
